

**Health Professions Council
Approvals Panel – 13 June 2006**

**PROGRAMME APPROVAL –
‘Local Analgesia with Nail Surgery for Podiatrists’
Glasgow Caledonian University**

Executive Summary and Recommendations

Introduction

At the Approvals Panel on 2 February 2006, the ‘Local Analgesia with Nail Surgery for Podiatrists’ programme at Glasgow Caledonian University was approved. Unfortunately, an administrative error was made which led to a full-time version of the programme being approved; when in fact only a part-time version exists.

The Visitors Report and their recommendation remain unaffected.

Decision

The Panel is asked to transfer the approval of the full-time programme to the part-time programme.
