**PROGRAMME APPROVAL
'MSc Dietetics (Full-time)'
Queen Margaret University College, Edinburgh**

Executive Summary and Recommendations

Introduction

At the Approvals Panel on 17 May 2006, the 'Postgraduate Diploma in Dietetics' programme at Queen Margaret University College, Edinburgh was approved. The Visitors' Report and recommendation covered two qualifications – the Postgraduate Diploma in Dietetics and the MSc in Dietetics. Unfortunately, due to an administrative error the MSc qualification was left off of the covering paper, which lead to only the Postgraduate Diploma qualification being approved.

The Visitors Report and their recommendation remain unaffected.

Decision

The Panel is asked to approve the MSc Dietetics qualification at Queen Margaret University College, Edinburgh.
