Communications Committee 24th May 2006**

Employee attitudes towards working at the HPC

Executive Summary and Recommendations

Please see report

Introduction

The HPC commissioned research group Mintel to conduct internal focus groups with employees. The focus groups took place on the 15th March 2006. The research was conducted to gauge employee's attitudes about working at the HPC and make recommendations for improvement based upon these attitudes.

Decision

This paper is for information only. No decision is required.

Background information

This research was undertaken as part of a long-term commitment to effective internal communications. As the business grows, the management team need to ensure employees feel they are being listened to. Employees should also feel valued and appreciated.
