

**Health Professions Council
Conduct and Competence Committee – 19th September 2006
Fitness to Practise Brochures**

Executive Summary and Recommendations

Introduction

Two fitness to practise brochures ‘what happens if a complaint is made against me’ and ‘how to make a complaint about a health professional’ were published in April 2005. In line with the fitness to practise work plan, a review of these brochures and other publications that are required to ensure the fitness to practise process is accessible, will take place in April 2007.
