

## **Structure of the Register**

### **Executive Summary and Recommendations**

#### **Introduction**

At its July 2004 meeting Council agreed to hold a special meeting, to which all members including alternates would be invited, to discuss the outcome of the consultation on the structure of the register.

The analysis of the responses to the HPC consultation on the structure of the HPC register is attached.

The Council now needs to decide how it will structure the register as new professions are regulated by the HPC.

#### **Decision**

The Council is requested to make a recommendation to the Privy Council regarding the structure of the register.

#### **Background information**

See enclosed paper.

#### **Resource implications**

Analysis to be completed once decision made.

#### **Financial implications**

Analysis to be completed once decision made.

#### **Background papers**

Consultation document, papers and notes from special Council meeting held in July 2003.

#### **Appendices**

None.
