STRATEGY

Executive Summary and Recommendations

Introduction

Following the last Council meeting on 6th December 2005, the Strategy document has been amended following input of the majority of HPC's statutory and non-statutory committees.

However, to date the conclusions of the Foster and Donaldson Reviews have not been published. It is therefore recommended that the Council reviews the Strategy once these reports are made available.

Decision

The Council is asked to agree the following:

- Approve the Strategy
- Review the Strategy following the publication of the Foster and Donaldson Reviews
