

Health Professions Council – 29 May 2008

Amendment to Council meeting date

Executive summary and recommendations

Introduction

Council agreed the 2008/9 Council and Committee meeting dates in December 2007. Feedback has been received that it would be useful if the dates of the Council meeting and the Education and Training Committee meetings could be switched. Therefore it is proposed that the Education and Training Committee meeting should be held on Wednesday 25 March 2009 and that the Council meeting should be held on Thursday 26 March 2009 rather than vice-versa as they are at present.

Decision

The Council is asked to agree that the Council and committee calendar is amended as follows;

Education and Training Committee to be held on Wednesday 25 March 2009

Council meeting to be held on Thursday 26 March 2009
