

Matters Arising from the Minutes not covered elsewhere on the Agenda

Minute Reference

- 5.2 The seminar held by the Allied Health Professions Forum on outcome based competences and work-based learning to support CPD was held on 26 March 2002 and attended by Christine Farrell and Peter Burley. The outcome will be reported to the committee when published.
- 9.8 The former CPSM "educationalist" Board and Council members have nearly all volunteered to continue to serve HPC and nearly all been appointed to the Pre-Registration Education and Training Advisory Teams. This provides a locus for their continued engagement with the Committee's work.
