14 May 2003

03/77 Partner Appointments

A report was made to Council and a further up-date can be given.

03/91 18.4 Criminal Records Bureau

Further to previous discussions the Registration Committee has now recommended that the Standards of Education and Training Professional Liaison Group (PLG) should look at this. The PLG will be asked to ensure that approved institutions run checks on applicants to, and students on, approved programmes.

28 May 2003

03/104, 5.1.2 Standards of Proficiency

These are now on the web-site and are in the process of being despatched to all approved programmes.

03/104, 5.6 (Local Analgesia Certification and Standards of Proficiency)

The DH consultation paper on " Patient Group Directions " is still awaited.
