

Health Professions Council

Education and Training Committee

SCHEME OF DELEGATION

1. Introduction

- 1.1. This scheme of delegation ('the Scheme') is intended to facilitate the efficient and effective functioning of the Education and Training Committee ('the Committee') of the Health Professions Council ('the Council').
- 1.2. The Scheme is designed to ensure that, so far as possible, the Committee is responsible for policy and strategy and that the Executive implements that policy and strategy and is responsible for all operational matters.
- 1.3. The Scheme sets out:
 - those decisions which the Committee has reserved or must reserve to itself;
 - those decisions which it has delegated to the Approvals Committee;
 - those decisions which it has delegated to the Chief Executive and Registrar ('the Chief Executive') and persons nominated by the Chief Executive;
 - those decisions which it has delegated to the Director of Education and Policy.
- 1.4. The Executive, under the direction of the Chief Executive, remains responsible for day to day administration of the Council's affairs and nothing in the Scheme applies to any decision which is administrative in nature.

2. Withdrawal of delegated power

- 2.1. The Scheme remains in force unless and until it is amended or revoked by the Committee.
- 2.2. The requirement to amend or revoke the Scheme does not apply to a matter in relation to which the Committee is of the opinion that delegated authority should not be exercised. In that event, the Committee may resolve that delegated authority shall not be exercised in relation to that matter.

3. Exercise of delegated power

- 3.1. Where power is delegated under the Scheme, the power must be exercised in a manner which is consistent with the Committee's obligations under the general law and the Health Professions Order 2001 ('the 2001 Order').
- 3.2. In particular, the decision maker must have regard to Article 3(4) of that Order, which provides that the main objective of the Council in exercising its functions is to safeguard the health and well-being of persons using or needing the services of registrants.
- 3.3. The decision maker must also recognise that lawful exercise of a statutory power requires not only formal compliance with the conditions laid down for its performance, but also with the principle that all statutory powers must be exercised in good faith and for their proper purpose.
- 3.4. Delegation does not impliedly authorise sub-delegation. Consequently, any person or body to whom the Committee has delegated any power may not permit another person or body to exercise that power unless the Committee has expressly authorised them to do so.

4. Matters reserved to the Committee

- 4.1. The Committee retains ultimate responsibility for all policy matters including agreeing the overall strategy for the performance of its functions.
- 4.2. The Committee retains responsibility for the following decisions which, to the extent that it is lawful to do so, may only be delegated by means of a specific resolution of the Committee:
 - responding to any consultation by the Council under Article 7 of the 2001 Order on the making of rules or the determining or varying of fees;
 - approving, for the purpose of Article 12(1) of the 2001 Order, qualifications awarded in the United Kingdom which attest to the standard of proficiency required for admission. (This is a function which has been delegated to the Committee by the Council without authority to sub-delegate).
 - establishing procedures under Article 12(2) of the 2001 Order for the assessment of qualifications obtained, and training and experience acquired, outside of the United Kingdom.
 - giving advice to the Council under Article 14 of the 2001 Order in

relation to the establishment of Standards of Proficiency, Standards of Education and Training and Standards of Continuing Professional Development.

- responding to any consultation by the Council under Article 15 of the 2001 Order on the establishment of Standards of Education and Training and requirements for admission to and participation in education and training;
- maintaining and publishing the Council's list of approved courses of education and training, qualifications and institutions. (This is a function which has been delegated to the Committee by the Council without authority to sub-delegate).
- withdrawing or refusing approval of an institution for failure to provide information and assistance under Article 17(3) of the 2001 Order;
- withdrawing or refusing approval of a course of education and training, qualification or institution under Article 18 of the 2001 Order;
- responding to any consultation by the Council under Article 21(3) of the 2001 Order on the giving of guidance in relation to the Standards of Conduct, Performance and Ethics or the standards of education and training, supervision and performance of persons who provide services in connection with those provided by registrants;

4.3. The Committee is also responsible for making decisions in relation to any matter:

- in which a person who would otherwise have delegated authority to act has an actual or potential interest;
- which, in the opinion of the Chief Executive, would for any reason be more appropriately dealt with by the Committee.

5. Matters delegated to the Approvals Committee

5.1. Ensuring that universities and other relevant bodies in the United Kingdom are notified of the Standards of Education and Training and the Council's requirements for admission to and participation in such education and training.

5.2. Taking appropriate steps to satisfy the Committee that the standards and

requirements referred to in Paragraph 5.1 are being met.

- 5.3. In performing the functions delegated under Paragraphs 5.1 and 5.2, approving courses, qualifications, institutions and tests of competence under Article 15(5) of the 2001 Order.
- 5.4. Approving education and training provided outside of the United Kingdom under Article 15(6) of the 2001 Order.
- 5.5. Receiving any report submitted to the Committee by a Visitor under Article 16(7) of the 2001 Order.
- 5.6. Imposing reporting requirements on Visitors under Article 16(7)(b) of the 2001 Order.

 - determining applications for renewal of registration and readmission to the register, including determining whether the applicant needs to meet or has met any additional requirements required by Article 10 of the 2001 Order;
 - determining applications for admission to the register made under Article 13 of the 2001 Order;
 - requiring a person to submit further evidence, documents or information in respect of any application for admission or readmission to the register or renewal of registration.
- 6.2. Obtaining legal advice on, appointing persons to represent the Committee as respondent in and responding to registration appeals. (This function is limited to proceedings before the Council's Registration Appeal Panel. The conduct and defence of court proceedings relating to registration appeals is a function of the Council which has been delegated to the Director of Fitness to Practise).

7. Matters delegated to the Director of Education and Policy
