Key Decisions Taken	
<p>The meeting between Abigail Gorringer, Karen Bryan and Stuart Cable took place because the HPC council member and staff missed the first stakeholder group meeting due to an HPC Education and Training Committee meeting.</p> <p>The aim of the project is to scope and pilot reform of the four year undergraduate honours degree for a range of allied health professional and nursing programmes within the framework of a common core curriculum in response to the need for a flexible, effective and employable healthcare workforce.</p> <p>We discussed why practice curricula and social work were not included.</p> <p>Discussed any HPC issues. We reiterated that provided SOPs and SETs are met, there are no difficulties.</p> <p>The project has revised its scope, which may be wise. We will continue to attend the stakeholder meetings.</p>
