Programmes in respect of which approval is recommended subject to conditions, where the education provider has made observations on the visitors reports.

| | |

| Programme name | BSc (Hons) Audiology with Professional Training |
| Education provider | Aston University |
| Mode of delivery | Full Time |
| Date of decision | Thursday 12 May 2011 |

**Panel: Jeff Lucas (Chair)
Penny Renwick**

**John Harper
Joy Tweed**

Guidance for Panel Chairs

In determining whether to approve a programme, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision. If the Panel wishes to amend the report, it should give reasons for each amendment.

| |
|---|
| Decision |
| That the visitors report should be amended to reflect that the title of the programme was BSc (Hons) Audiology with Professional Training. |
| That, subject to this amendment, the Visitors' report (including the conditions and recommendations in the report) should be accepted. |
| Reasons |
| The Panel is satisfied that the conditions in the Visitors' report must be met before the programme can be approved or before the ongoing approval of the programme can be confirmed. |
