

**Education and Training Committee Panel**

**Programmes which have been subject to major change and for which continuing approval is recommended**

<b>Programme name</b>	BSc Non Medical Prescribing (Graduate Certificate in Non Medical Prescribing)
<b>Education provider</b>	De Montfort University
<b>Mode of delivery</b>	Part time
<b>Date of decision</b>	Thursday 14 February 2013

**Panel:** John Donaghy (Chair) Penny Renwick  
Helen Davis Joy Tweed

**Guidance for Panel Chairs**

In deciding whether to agree that a programme should continue to be approved, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

<b>Decision</b>
That the education provider and visitors should provide the Panel with further information, including a rationale, for the provision of two different award titles in respect of programmes with the same educational input.
<b>Reasons</b>
The Panel was concerned that the provision of two different award titles may be confusing to the public, and therefore have implications for public protection.
