Guidance for Panel Chairs

In determining whether to approve a programme, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HCPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

Decision
That the programme is approved.
Reasons
The Panel is satisfied that the visitors have recommended that the programme meets the standards of education and training and that no conditions need to be met before the programme can be approved.
