

Education and Training Committee Panel

Programmes which have subject to annual monitoring audit and for which continuing approval is recommended

Date of decision: 27 March 2014

Panel: John Donaghy (Chair) Joy Tweed
Mary Clark-Glass Elaine Brookes

Guidance for Panel Chairs

In determining whether to approve a programme, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

Decision:		
That the programmes on the attached list have successfully completed an annual monitoring audit and continue to meet the standards of education and training. The programmes should continue to be approved		
Reasons		
The visitors' reports indicate that the visitors are satisfied that the programmes continue to meet the standards of education and training.
