ETC makes all decisions on programme approval and on other operational education matters. Decisions are categorised into three ‘tiers’, which are categorised based on risk, whether recommended outcomes are challenged by providers, and / or whether there is a significant negative impact for the provider and / or learners. Meetings of the ETP are reserved for items which require a higher level of oversight or discussion before a decision can be made.

This agenda is for tier 2 meetings-based decisions. Each section of the agenda has an explanation of the recommended process outcome, with information which enables the Panel to make a decision.
