

### **Practitioner Psychologists**

The first round of recruitment for the Practitioner Psychologists is now complete. Thirty-eight Partners were recruited, including seventeen Visitors, fifteen Panel Members, and thirteen Registration Assessors. Seven partners were successful in being appointed to two partner roles. A second round is anticipated as modalities are finalised and Department Heads will confirm any additional numbers required.

### **Training – New Panel Members**

Eight new Panel Members from four professions attended training on 31 July and 1 August 2008 at Park House.

### **Training – New Visitors**

Fifteen new Visitors across seven professions attended training on 11 and 12 August 2008.

### **Training – Visitor Refresher**

Planning is well underway for the Visitor Refresher training in September and October 2008. This will occur over three separate times (3 and 4 September, then a second group will receive their training on 16 and 17 September, and the final third group on 8 and 9 October). It is anticipated at this stage that approximately seventy partners will attend in total across the three sessions.

### **Training – Legal Assessors**

Legal Assessors will be attending a half day training on 5<sup>th</sup> September 2008.

### **General**

There has been upgrading and maintenance on our partner database post the contract renewal cycle. Our database now enables us to record each of the six partner roles and generate current and accurate reports on their role status. Planning and preparation is also in progress to add a contract expiry field for each respective partner role rather than one field per partner record.

Partner recruitment and training planning meetings have been held with the respective department heads over the past month. The 2008-2009 Partner Recruitment and Training plan is being finalised.

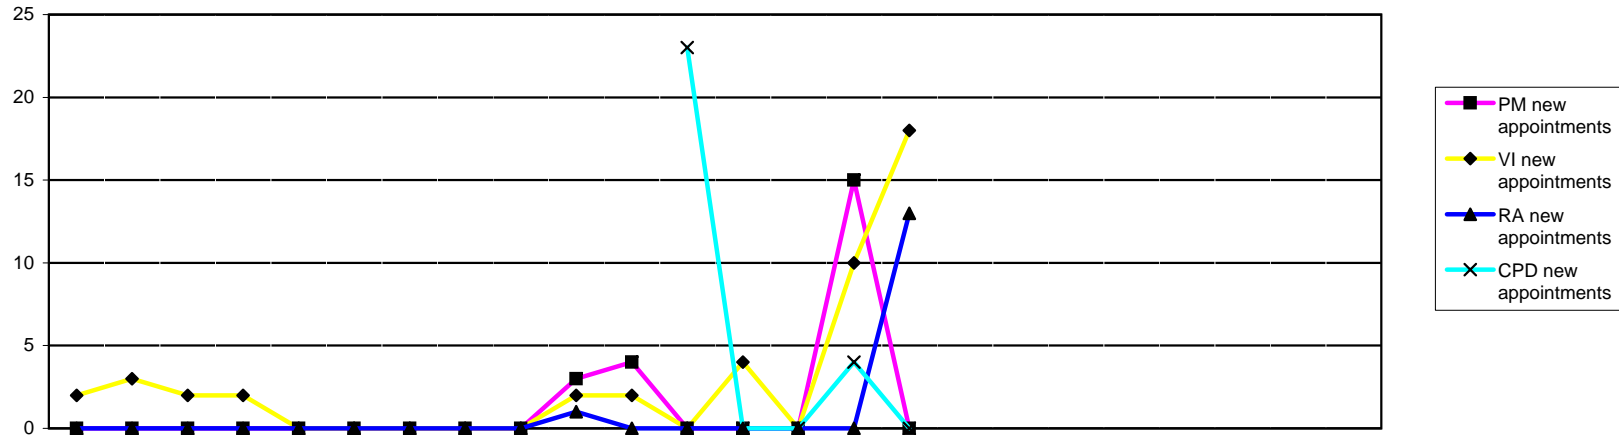

NB the volumes for panel members, visitors, registration assessors and CPD assessors include some partners performing several roles
