Item 5. Public minutes of the Remuneration Committee meeting of 16 March 2023

- 5.1 The Committee approved the public minutes of the Remuneration Committee meeting of 16 March 2023.

Item 6. Expenses Policies Review

- 6.1 The Committee considered the proposed changes to the following policies:
- Fees and expenses policy for HCPC Partners;
 - Expenses policy for employees; and
 - Fees and expenses policy for Council and Committee members.
- 6.2 These policies were reviewed and updated annually based on feedback from partners and operational areas on the operation of the policies in practice. The fees and expenses policy for HCPC Partners was reviewed initially and the expenses policy for employees and fees and expenses policy for Council and Committee members were then updated to reflect any changes that were also applicable to those policies. The review in 2023 had followed a less extensive review in 2022 as the HCPC waited to

understand the longer-term impact of the COVID-19 pandemic on travel and other arrangements.

6.3 The Committee discussed:

- the changes to payments for the costs of childcare and other caring responsibilities, which had been considered in detail as part of the equality impact analysis included with the paper, and supported the continued inclusion with pre-authorisation on a case-by-case basis to ensure that this support was available where needed despite payment being claimed infrequently, particularly given the HCPC's efforts to broaden the age demographic from which Partners were drawn;
- the removal of reimbursement for travel cards and the consideration of a cost-benefit analysis to permit reimbursement where there was a cost saving for the HCPC;
- the payment of partial fees to partners when education visits were cancelled between one and eight weeks prior to the visit to reflect the preparatory work that would have been undertaken, although this would be considered again following the broader review of the role of Partners in education taking place in 2024-25 to ensure the payment of fees in these circumstances remained appropriate; and
- the likely consequences for abuse of the policies.

6.4 The Committee approved each of the expenses policies subject the following changes requested by the Committee:

- to ensure that the requirement to use the HCPC travel management company was clear in all instances where travel and accommodation arrangements were referred to in the policies;
- to consider whether the use of travel cards historically would warrant consideration of reimbursement on a case-by-case basis where there was a potential cost saving for the HCPC;
- to ensure that the provisions relating to the circumstances and policy applicable to air travel were consistent across all policies to clarify its use in exceptional circumstances on a case-by-case basis subject to authorisation in advance;
- to be more explicit about the actions that the HCPC would take in the event of breach of the policies; and
- to replace a reference to employees with Council and Committee members in the Fees and expenses policy for Council and Committee members.

Action: Each of the expenses policies would be reviewed and amended to reflect the requested changes as applicable.

7.1 There was no other business.
